---

## SUMMARY

A passionate Front-end Developer within 3 years of hands-on experience building responsive, user-centric web applications. Proficient in modern JavaScript frameworks including React, Vue.js, Nuxt and Next.js, as well as TypeScript, HTML5, and CSS3 (Tailwind, Material-UI). Skilled at translating design mockups into pixel-perfect, accessible interfaces and optimizing performance for fast, smooth user experiences. Strong collaborator accustomed to Agile environments, with excellent communication skills and a continuous learning mindset to stay ahead of emerging web technologies.

---

## WORK EXPERIENCE

**Atlas Beach Fest** **Dec 2024 - Present**  
*(The World's Biggest and Best Bali Beach Club and Super Club)*

*Role: Senior Front End Developer*

- Solely managed the customer-facing website, ensuring a smooth user experience through regular updates and bug fixes.
- Developed dynamic landing pages for events (e.g., Easter) and managed the reservation system to optimize customer engagement.
- Engineered an innovative Atlas Menu website using PWA with Nuxt3, enabling offline functionality, online access, and mobile installation.
- Successfully implemented a "Spin" landing page for randomized prize selection during employee gatherings, enhancing event interactivity.
- Assisted in problem-solving and troubleshooting to overcome technical challenges and ensure project success.
- Created specialized landing pages for driver forms and guest reviews, streamlining communication and feedback collection.
- Collaborated with the SEO team to manage SEO strategies and Google Analytics, driving improvements in website performance and user engagement.
- Optimizing page performance (lazy-loading assets, code-splitting) to reduce load times
- Leading the Frontend Revamp of Atlas Beach Fest Website

Role: Front End Developer

- Contributed to cross-functional teams to achieve project goals within designated timelines.
  - Mentored interns in their professional development and provided guidance on project execution and industry best practices.
  - Provided assistance to team members to ensure timely project completion and coordinated efforts to meet deadlines effectively.
  - Actively participated in team meetings and discussions to share insights and provide valuable input for project improvement.
  - Assisted in problem-solving and troubleshooting to overcome technical challenges and ensure project success.
  - Collaborated with colleagues to streamline project workflows and optimize productivity.
-
